

PUBLIC IMPROVEMENT DISTRICT 6

Mission: To improve the quality of life throughout our community through responsible stewardship of our resources.

June 24, 2019

Dear Resident,

As you are aware, you are a resident of Public Improvement District # 6. As a benefit to all PID 6 residents there are sponsored events that all residents may attend.

On Saturday, June 29 at 7:00pm PID 6 will host the annual firework event; there will be entertainment prior to the fireworks at the playground at Ash River and Island Park. The fireworks will begin approximately 9:15pm.

In previous years, there have been areas where no private vehicles are allowed during a certain time span both prior to and after the event. This year there will be no on street parking on Greylock Drive, south of Island Park, along Island Circle to Trace Ridge Parkway, from 6pm to 10pm on Saturday, June 29, 2019.

The above designated area will be coned off to stop unauthorized vehicles from accessing the restricted areas described above. This area will be manned by Fort Worth Police Officers under the direction of Jon Grady, who may be reached at 817 994 3834. The police officers will allow residents and their guests' access to residences for driveway parking only.

The parking lot at Island Park and Ash River will also be closed to allow for the entertainment and food trucks.

Please contact me if you have any questions about the information contained within this letter.

Thank you in advance for your cooperation.

Sincerely

Robin Willits
